Connect to exclusive member-only resources, forms, analysis, and tools

2

Manage your account, pay your premium, review dividend history, see MVP[®] balance

3

Access education, take courses, see your course/CME/discount history, get your certificates

VANTAGE.SVMIC.COM

Vantage is SVMIC's resource and policy management platform available exclusively to policyholders and your staff. Designed as an enhancement to SVMIC's legendary telephone and in-person customer service, Vantage houses a wide range of resources, tools, and capabilities designed to provide what you need when you need it. Responsive design means that Vantage is just as functional on your

desktop screen as it is on your mobile phone, ensuring that you can get the information you require whether you are on call in the middle of the night or working from home on a Saturday. SVMIC is committed to continuing to enhance and grow the Vantage platform based on the feedback and needs of our policyholders.
