Further Information

Registration

You may register for courses by visiting our Education Center and logging into [Vantage](#) with your individual Vantage account.

Repeating Courses

Please be advised that SVMIC offers the same course topics in several different formats. You may not complete the same course twice. Physician policyholders will not receive premium credit for a topic that they've already received credit for completing in a previous year.

Self-Study Course Continuing Education Information

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Tennessee College of Medicine (UTCOM) and State Volunteer Mutual Insurance Company. The UTCOM is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation:

ONE-HOUR COURSES:

The UTCOM designates these enduring materials for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

TWO-HOUR COURSES:

The UTCOM designates these enduring materials for a maximum of 2 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: The AAFP has reviewed these courses and deemed them acceptable for up to 1.00 or 2.00 Enduring Materials, Self-Study AAFP Prescribed credit. Term of Approval is from 01/01/2024 to 12/31/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: These programs are eligible for one (1) or two (2) credit hours in Category 2 of the Continuing Medical Education Program of the American Osteopathic Association. Physicians will need to submit a letter of completion from the University of Tennessee directly to the AOA to receive CME credits, or AOA members may self-report the activity.

Continuing Education for Non-Physicians: The UTCOM will issue Certificates of Participation to non-physicians for participating in these activities and designates them for CEUs using the national standard that 1 hour of educational instruction is awarded .1 CEU.

* *Controlled Drugs and Substance Use Disorders: An Update qualifies for 2.0 mandatory prescribing credit hours with all professional boards with the exception of the OK Board of Osteopathic Examiners. For information regarding your CME/CE requirements/credits, please contact your licensure board.*
